AESOP YOUNG ACADEMICS MEETING

The first AESOP Young Academics meeting was taking place in Bratislava on Feb 3-7, 2007, hosted by the Faculty of Architecture, SPECTRA Centre of Excellence. It was attended by 35 young academics from all over Europe who were working on five main topics:

- Migration-social exclusion-cultural integration-welfare.
- Environmental sustainability-health-new technology.
- Community planning-regeneration processes.
- Transportation-infrastructure-housing.
- Growth regions-center of excellences.

The meeting was chaired by Maros Finka from the FA STU in Bratislava and Richard Nunes from the Bartlett School of Planning UCL, UK and after 6 introductory lectures, the young academics started to present their papers and discuss their points.

Maroš Finka, Slovak University of Technology in Bratislava, Faculty of Architecture, SPATIAL DEVELOPMENT AND TERRITORIAL COHESION IN EUROPE
