GIS DAY 2006 AT THE FACULTY OF ARCHITECTURE OF THE SLOVAK UNIVERSITY OF TECHNOLOGY IN BRATISLAVA, SLOVAK REPUBLIC

At the occasion of the World GIS Day, the Faculty of Architecture, organised a roundtable discussion and workshop on November 15, 2006 on GIS, 2D a 3D technologies in spatial planning and architectural and urban planning design. The workshop was focused on the exchange of information and experience and presentation of current tasks and running projects of the participants as well as on the objectives and next activities.

Part of the GIS DAY at the Faculty of Architecture of the Slovak University of Technology was an exhibition of the GIS application in spatial planning, displayed in the foyer of the Faculty of Architecture on November 13-17, 2006.

It was organised by the Computer Aided Architectural and Urban Planning Design Centre of the Institute of Design at the Faculty of Architecture of the Slovak University of Technology in cooperation with the SPECTRA Centre of Excellence at the Faculty of Architecture of the Slovak University of Technology in Bratislava.
